Contact Mike Galloway, Drexel CCI Technology Services Manager, at mjg88@drexel.edu.

*Additional Assistance is ONLY for Drexel University - College of Computing & Informatics (CCI) instructors, faculty, professional staff, and students.*

Anyone else should contact technical support for their own college, department, university, organization, or business.

You can contact Drexel ITG Blackboard Support as well regarding technical issues related to Bb Learn, but Mike knows what they know about Bb Learn and is much more intimately aware of issues related to Drexel CCI courses.
