Other Important Tips

- Organizing Full Grade Center
  - Click "Manage" > "Column Organization." Columns now appear as rows (but helpful, actually). Drag & drop 4-way arrow icon to move column/row to where you want.
  - See links below for how to hide columns from yourself (or from students, which is different) or delete columns.

- Create Simple Total Column
  - Only for use (usually) if all graded assignments and activities add up 100 points.
  - Click "Create Calculated Column" > "Total Column."
  - Edit each other column to make sure each is set to be included in Grade Center Calculations (if you want it included in the Total Column).
    - Click the circled down arrow in the top row of each of these columns.
    - Then click "Edit Column Information."
    - Scroll down under "OPTIONS;" and make sure "Yes" is selected next to "Include this Column in Grade Center Calculations."
    - Click "Submit."
