*Notes for CCI Tech Staff* You may need to email Drexel telephone requests at telephone-request@drexel.edu, and ask them to enable phone forwarding to external line or external phone forwarding. If so, include person's name with issue, their office room number, their wall plate number, the port number (usually 1, in top left) on the wall plate that phone is plugged into, their full phone number, and the number they wish to forward to.
